# Markel Care: A bespoke sector proposition for care, support and education organisations

We have extensive experience of the UK's care sector, meaning we understand the unique risks faced by those in the industry.

Using this experience, we've specifically designed Markel Care for organisations that provide services to vulnerable adults and children.

Markel Care comes with additional services as standard to help our care policyholders navigate their everyday challenges. When we say Expect More, we mean it.

As a Markel Care policyholder, these inclusive benefits include:

## SPECIALIST CARE PRACTITIONER CONSULTANCY

Bespoke care practitioner consultancy is available to Markel Care policyholders, either on-site or desktop, on a range of regulatory, risk and commercial matters. We recognise that smaller companies and traders do not necessarily have the in-house personnel to advise and assist in their decision making.

We have 25 specialist care practitioners from across all client groups who not only understand the key issues being faced across the sector, but can also provide bespoke sector-specific support to those caring for vulnerable adults and children.

## LEGAL ADVICE LINE

Markel Care policyholders can benefit from Markel's 24/7 legal helpline, with access to 40 qualified solicitors who can assist care organisations with legal issues they face on a regular basis. The helpline advises on over 200,000 queries a year.

For policyholders that have opted to purchase Employment Law Protection (ELP) cover, Markel offers separate employment law

advice to help prevent a claim on a wide range of employment law disputes.

These services help protect care organisations by advising on a range of employment law issues, including disciplinary and grievance procedures, recruitment and dismissals, performance and conduct management processes, unlawful discrimination, and redundancy.

## LAW HUB

We understand that care organisations can face a wide range of challenges. Law Hub provides assistance to deal with the everyday legal issues around employment, health and safety, trading and contracts, cyber and data, debt and insolvency. Our legal portal, Law Hub provides practical DIY templates and guidance around these topics,

as well as having a dedicated care section.

Law Hub is written and created by our team of expert solicitors who have a huge wealth of experience advising on legal issues.
