Warranties	Warranties or Conditions Precedent to Liability are very strict policy terms. It is very important you understand the requirements of these terms and that you are able to comply with them. Your insurer is able to refuse a claim and void the policy, even if the loss sustained is unconnected with any failure to comply with these terms.		
Claims	Your policy contains a claims condition requiring the prompt notification of any claim or incident likely to result in a claim. Please contact us with details as soon as possible.
