

# Wine Appreciation Section (WAS)

The UK IBM Club Basingstoke Wine Appreciation Section offers regular tastings with well-qualified speakers on specific wine topics, countries or styles etc.

Tastings are held on the third Thursday of each month starting around 7pm until 9:30pm. The venue is in the centre of Basingstoke about a seven minute walk from the train station.

If you have an interest in wine at any level and would enjoy a convivial evening in the company of 20 or 30 fellow IBMers then this is for you

2017 Tastings have included Argentina and Chile; Wine Aging; France; South Africa; New Zealand; Portugal and we even had a Craft Beer tasting. All our tastings include a light buffet to complement the theme of the wines.

WAS is always keen to attract new members to the Section. The first event is a free “taster” evening. Annual membership of WAS is £12.00 joint or £6.00 single. An application form is available from Peter Mortimore [mortimp@gmail.com](mailto:mortimp@gmail.com) Please email our Treasurer, Mark Scott [mark@poplarhouse.net](mailto:mark@poplarhouse.net) that you plan to attend. He will send confirmation and details of how our bank transfer system operates for booking places on subsequent evenings.
