## 'The Legends' triumph at 5-aside football tournament

Eight teams competed in the 2011 IBM Club National Five-Aside Tournament held at Keele University.

The three-day event comprised league games which were played over the first two days, and then a knock-out stage on the final day.

In the final, 'The Legends' (Mark Partridge, Stephan Nicholas, Dan Millwood, Matthew Kockott, David Busby and Richard Lewry) beat 'Champions League Wednesday' (Peter Simmonds, Mark Legg, Mark Collier, Peter Cumming, Ian Cox and Dave Jarvis) by three goals to one.

### Excellent weekend

Mark Partridge comments: "As usual it was an excellent weekend and great value for money. It's something we always look forward to, as it's the chance to get away with friends and work colleagues, to network and socialise with other IBMers - and play football. With the added bonus this year we actually won!"

Event organiser John Manuel adds: "The tournament was its usual success story and much enjoyed by the players. The staff at Keele were equally praising of both the players' behaviour and participation, and I think that once again we have cemented our long-standing relationship with the University."
